### **Proposed Admission Arrangements for Eden Boys' School, Preston for 2020/21**

Eden Boys' School, Preston is part of Star Academies. Star Academies has devolved operational responsibility for managing admissions to the Local Governing Body of Eden Boys' School, Preston.

As an 11-18 progressive, inclusive and outstanding Muslim faith school, the Governing Body will consider all applications equally without reference to faith.

### **Year 7 Admission for Eden Boys' School, Preston**

The admissions process is part of the Lancashire County Council's determined scheme for co-ordinated admissions to secondary schools.

All applicants are required to complete their home Local Authority's common application form by 31<sup>st</sup> October 2019.

Parents will be advised of the outcome of their application on 1<sup>st</sup> March 2020.

The proposed published admission number for the Year 7 intake will be 124.

All applicants will be admitted if 124 or fewer apply.

If the school is oversubscribed, boys will be admitted in accordance with the oversubscription criteria below, once all boys with an education, health and care plan, naming the school are admitted.

## **Oversubscription criteria**

1. Looked after boys or a boy who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order (see note 1).
2. Boys who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted (see note 2).
3. Sons of staff employed at Eden Boys' School for 2 or more years at the time at which the application for admission is made, and / or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage (see note 3).
4. Boys with a sibling who is a pupil already attending Eden Boys' School at the time of both application and admission or was a former pupil of Eden Boys' School (see note 4).
5. Boys for whom the Governing Body accepts that they have proven, exceptionally strong special, medical or social circumstances, which are directly relevant to attendance at Eden Boys' School.

Parents must provide the professional supporting evidence from e.g. a consultant, doctor, psychologist, social worker or from another professional. A place will only be offered, if the Governing Body accepts the view of the professional, which confirms that the existing medical or social difficulties will be exacerbated if admission is not offered at Eden Boys' School (see note 5).

6. All other boys who live nearest from home to Eden Boys' School.

## **Tie-breaker**

Boys who live nearest from home to school will receive priority for any criteria that are oversubscribed. The distance is measured in a straight line using Lancashire County Council's computerised mapping system. This will measure distance from home to school, centre of the building to the centre of building.

If the distance between the boys homes and the school is the same, which includes the same geographical property reference (such as a block of flats), then random allocation is used as a tie-breaker. Lancashire County Council's School Admissions Team will undertake the random allocation process in the presence of a school representative at the Council Offices.

## **Address**

The address given must be where the child and parents live permanently. It must not be the child minder's, grandparent's or other relative's address. If parents share custody of a child, then the Governing Body may request to see the court order, child tax credit letter, child benefit letter, medical card or other evidence to establish where the child is resident for the majority of the time during the weekdays. If there is joint custody for the child, then the address of the parents receiving the child benefit is used.

Parents will be required to provide proof of permanent address.

**Notes:**

1. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Under the provisions of s14 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangement orders. Section 14A of the Children Act 1989, which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
2. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
3. A boy is eligible for consideration when the parents complete the section on the home Local Authority's common application form.
4. Siblings refers to full, half, adopted, step, foster brothers or the son of the parents partner, and, in every case, the boy must be living in the same family unit at the same address.

To be eligible for consideration as a sibling of a former pupil, the former sibling must have attended and completed year 11 at Eden Boys' School.

5. It is important that you state on the application form and if required, attach a letter, clearly setting out your reasons for requesting admission under the medical or social criteria. You must also provide written supporting evidence from a professional with the application form. The letter from the professional must confirm that the existing medical or social difficulties will be exacerbated if admission is not offered at Eden Boys' School.

The supporting evidence from the professional must be submitted by 31<sup>st</sup> October 2019. If the evidence from the professional is received after 31<sup>st</sup> October 2019, then the Governing Body will accept this as long as it is received by 13<sup>th</sup> December 2019, at the very latest.

**Multiple births**

If children of multiple births (twins and triplets) and siblings require admission in the same year group and there is only a single place left within the published admission number, the Governing Body will offer places above the published admission number.

**Late applications**

Unless there are exceptional reasons for the late submission of the application form, late applications will not be considered at the same time as applications that were received by the closing date.

Lancashire County Council are responsible for making decisions on late applications as stipulated within their secondary co-ordinated admission scheme.

Applications made after the start of the autumn term 2020 will be treated as an in-year application.

**Waiting list**

Parents of boys refused admission for Eden Boys' School's year 7 group each September, must request Lancashire County Council to include their son's details on the waiting list for the school.

The position on the waiting list is determined by the priority order of the admission policy and nothing else. When the number of boys admitted to the school drops below the published admission number, a place is offered to the child who is at the top of the waiting list.

The position of your son on the waiting list may change. They may move up or down each time a child is added or removed, or when the change in circumstances of the child requires him to be considered against a different priority order of the school's oversubscription criteria. Looked after children, previously looked after children, and those allocated a place at the school in accordance with the Fair Access Protocol must take precedence over those on the waiting list.

The school maintains the waiting list in accordance with the school's oversubscription criteria, until 31<sup>st</sup> December in the academic year of Year 7 admission. Parents should contact the school, if they wish their son's details to be kept on the waiting list, from the spring term onwards.

The school maintains the in-year waiting list in accordance with the school's oversubscription criteria.

We will contact the parents of children on the waiting list in the summer term for each year group to ascertain if they wish for their child's details to remain on the waiting list.

### **Withdrawing an offer of a place**

The Governing Body reserves the right to withdraw an offer of a place if:

- It was made in error.
- Parents fail to respond to the offer of a place within a reasonable period of time.
- It is established that the offer of a place was obtained through a fraudulent or misleading application.

Where parents fail to respond to the offer of a place, the Governing Body will give the parents a further opportunity to respond and explain to them that the offer of a place will be withdrawn unless they respond by the specified date. Where an offer of a place is withdrawn based on misleading information, the Governing Body will consider the application afresh, and will offer a right of appeal if admission cannot be offered.

The Governing Body will not withdraw the offer of a place once the boy has started at the school, except where that place was fraudulently obtained. In deciding whether or not to withdraw the offer of a place, account will be taken of the length of time the boy has been at the school. Where the boy has been at the school for less than a term, the Governing Body may consider it appropriate to withdraw the place.

### **Admission of children outside their normal age group**

Parents may seek a place for their child outside of their normal age group, for example, if a child is gifted and talented or has experienced problems such as ill health.

Parents of children who are already of secondary school age are required to complete the school's relevant application form along with a letter requesting admission out of the normal age group and submit this with the required evidence outlined below. If their request is agreed and a place is available in the requested year group, the child will be admitted.

Parents of children who wish to seek admission to Year 7 outside their normal age group (i.e. who are currently placed in a lower or higher year group) will need to submit the normal common application form to the Local Authority (in writing or online). Parents must do this at the same time as they submit a written request to the Governing Body for their child to be admitted out of the normal age group and submit this with the required evidence outlined below. If their request is agreed and a place is available in the requested year group, the child will be admitted.

Whilst the Governing Body will consider applications to Year 7 from parents of children outside their normal age group, please note that the Governing Body is not bound by decisions made by another admission authority.

The Governing Body will make a decision on the request before the Secondary national offer date if the request for admission is received during the normal admissions round, if at all possible.

Parents should consider what evidence they wish to submit in support of their case with the application form, for example, evidence from a medical practitioner, educational psychologist, headteacher etc. Some of the evidence a parent may wish to submit could include:-

- Whether they are currently or have previously been educated outside the normal age group;
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely;
- Where relevant their medical history and the views of a medical practitioner;
- Information about the child's academic, social and emotional development;
- Where relevant the views of an educational psychologist.

The Governing Body is required to take into account the views of the Headteacher on the application as well as the information from the parents.

The Governing Body will make their decision based on the circumstances of each individual case, and in the best interests of the child concerned. The Governing Body will then inform the parents of their decision on the year group the child should be admitted to and will provide the reasons for their decision.

Parents have a statutory right to appeal to an independent appeal panel against the refusal of a place at a school for which they have applied. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, the right of appeal **does not apply** if they are offered a place at the school but it is not in their preferred year group. However, they may make a complaint to the Governing Body about the decision not to admit their child outside their normal age group.

### **In - year admission**

In - year admission is the process of applying for admission into an existing year group within a school. It does not refer to Year 6 to Year 7 transfer into secondary school in September. Applications made after the start of the autumn term 2020 will be treated as an in-year application.

The in - year admission process is managed by the school. Parents are required to complete the in- year application form, which is available from and returnable to the school.

For some boys, it may not be possible to secure admission under the in - year admission process. Where this is the case, Lancashire County Council will apply the Fair Access Protocol to secure the most appropriate educational provision for these boys.

For boys with an education, health and care plan, the in - year admission process will not apply. Parents should contact their home Local Authority's Special Educational Needs Team. The child is offered a place if the Local Authority's Special Educational Needs Team names the school in the education, health and care plan.

### **Appeals**

Parents have a legal right of appeal to an independent appeal panel against the decision not to offer admission at Eden Boys' School. Lancashire County Council administers the appeals process, on behalf of the school. Parents can either complete the school's appeal form on Lancashire County Council's website or request an appeal form from the school.

Parents have at least 20 school days to prepare and submit their written case to the independent appeal panel. They will normally receive 14 days' notice of the place and time of the hearing, so they can attend, in order to present the case in person.

The decision letter from the independent appeal panel, which will include the reasons for the decision is communicated to all parties as soon as possible, but no later than 5 school days, after the hearing.

### **Re-appeals**

Parents do not have the right to a second appeal in respect of the same year group, unless in exceptional circumstances, the Governing Body has accepted a 2<sup>nd</sup> application from the parents because of a significant and material change in the circumstances of the parents, child or school but were still refused admission.
