Coronavirus (COVID-19) catch-up premium

Name of school	Eden Boys' School, Preston
----------------	----------------------------

COVID-19 has had a significant impact on many of our pupils. Their education has been disrupted since the start of the first lockdown in March 2020. School fully reopened in September 2020, but many pupils had to learn remotely in the autumn term because they either tested positive themselves or were identified as close contacts of a positive case. School closed again to the vast majority of pupils in January 2021.

We have maintained remote learning and taken positive steps to support the emotional well-being. We know that our disadvantaged pupils have been particularly hard hit by the pandemic and that national inequality is likely to have been exacerbated.

The COVID 19 catch up premium awarded to the school will be utilised to help our most vulnerable pupils to be well-placed for future success.

Amount of funding received	£46,480
(Grant will be available only in 2020-2021)	

Expenditure for Coronavirus (COVID-19) catch-up premium 2020-21

<u>Action</u>	<u>Rationale</u>	<u>Cost</u>	<u>Success indicators</u>
Summer School	<p>Reduce the gap in attainment for Year 11 and Year 7 pupils. Lessons delivered across a 2-week period for all GCSE subjects.</p> <p>Literacy and Numeracy catch up sessions for Year 7 pupils.</p> <p>Daily wellbeing sessions delivered for Year 11 and Year 7 pupils.</p>	£11,400	Closing the attainment gap as evidenced in baseline/diagnostic tests conducted post September.
SEND Support	<p>The deployment of teaching assistants for additional support. The deployment is reflective of need/provision map.</p> <p>Additional support given post universal support by TAs who are familiar to the pupils and to ensure consistency, programs/interventions are delivered by the same team.</p> <p>Additional literacy sessions to 'at risk' pupils.</p>	£5,300	<p>Improved outcomes for pupils with SEND.</p> <p>Improved outcomes based on Individual Education Plan targets.</p> <p>Improved reading ages for 'at risk' pupils</p>
Additional Laptops	<p>The school has a significant number of pupils from disadvantaged families and large families – thereby increasing the need for devices during the prolonged periods of isolation and lockdown.</p>	£4,670	<p>Improved participation in remote learning.</p> <p>Improvement in progress for disadvantaged pupils.</p> <p>By ensuring prompt and relevant remote learning is accessible, any gaps that disadvantaged students experience in their learning due to absence will be minimised and data will evidence that predicted targets are met.</p>

Master classes	<p>Additional classes delivered to stretch and challenge the most able learners in science.</p> <p>Additional masterclasses delivered by Impress the Examiner to stretch and challenge high ability pupils in English and mathematics.</p>	£8,600	Improved outcomes for high ability pupils as evidenced by a rise in attainment in 9-7 grade band.
Holiday & term time catch up classes	Additional tuition delivered to Creative iMedia learners who are most at-risk of missing out on a 'Strong Pass'.	£3,600	Improved number of pupils securing a 'strong pass' in Creative iMedia.
	Additional tuition delivered to learners who are most at-risk of missing out on a 'Strong Pass'.	£1,120	Improved number of pupils securing a 'strong pass' in all subjects.
	Additional Literacy Catch up support for pupils in year 7 and year 8.	£2,200	Improved levels of literacy for identified learners.
	Transport to enable non-local pupils to attend catch up sessions.	£2,000	Provision of transport for non-local pupils.
Electronic Resources	These resources support learners to make rapid and independent progress in their learning to prepare for exams in summer 2021.	£700	Improved outcomes in 2021.
Learning Packs	Additional learning packs are needed for each pupil learning remotely at home. These packs need preparing, photocopying and delivering to homes. The packs are and prepared and delivered each half-term. In addition to learning packs, additional textbooks and workbooks were procured in various subjects.	£6,000	Improved participation and satisfaction with remote learning.

	Additional wellbeing packs were disseminated to all pupils. Packs needed collating, copying and delivering to all pupils.		Improved motivation and participation with remote learning.
Online parents' evening.	To consult with parents and young people during the lockdown in a safe manner, an online platform is needed.	£333	Improved engagement with parents and young people during the lockdown.
Mental Health Programmes	Mental health programmes will be needed and additional training for staff on mental health. This will support our learners and staff to ensure their resilience and emotional wellbeing during the difficulties of this year.	£1,500	Improved mental health provision in school.

Monitoring and Evaluation

School leaders will monitor spending of this grant throughout the academic year and will report on its impact to the local governing body and the Trust.
